Professional Summary

Computer Science and Design undergraduate with skills in Python, SQL, Data Analytics, Statistics, and Software Development. Strong analytical and problem-solving abilities with a passion for building data-driven solutions to address real-world challenges.

Education

P.E.S. Institute of Technology and Management, Shimoga
Bachelor of Engineering (Computer Science and Design)
CGPA: 8.04

2022–2026

Technical Skills

- **Programming Languages:** Python, SQL, HTML, CSS
- **Core Concepts:** Data Structures and Algorithms, Object-Oriented Programming, DBMS
- **Data Analytics:** Pandas, NumPy, Statistics, Data Visualization
- **Tools & Platforms:** GitHub, Google Colab, Figma, UiPath StudioX, VS Code, Cursor AI
- **Soft Skills:** Problem Solving, Analytical Thinking, Team Collaboration, Communication

Internship Experience

Data Analytics Intern — Heartiest Mind Technology Pvt Ltd

- Applied Python and SQL for data analysis and problem solving.
- Performed statistical analysis and data interpretation.
- Developed responsive interfaces using HTML, CSS.

Projects

AI-Based Image Restoration and Enhancement System

- Developed an AI-powered system to restore damaged images and enhance low-quality CCTV footage.
- Applied image processing techniques using Python and OpenCV.
- Improved image clarity for better visual analysis.

Sales Data Analysis and Forecasting Dashboard

- Built a dashboard using Python, SQL, Flask, and Machine Learning.
- Performed sales trend analysis and forecasting.
- Generated business insights through data visualization.

Payroll Management System

- Developed a payroll management application to automate employee salary calculations and payroll processing.
- Managed employee records, salary details, allowances, and deductions using a structured database.
- Improved accuracy and efficiency through automated calculations and reporting.

Certifications

- Cyber Security and Privacy (Elite) – NPTEL, IIT Madras
- Industry 4.0 & IoT – Bosch Vocational Center
- Design Thinking for Innovation – Infosys Springboard

Achievements

- Participated in National Level 24-Hour Hackathon (TCE Hackfinity 2025).
